

Notice of temporary road closures on Valley Road

Nottingham City Council have started works to change side roads along Nottingham's Ring Road to make crossings for cyclists and pedestrians better and more convenient. This is part of the £16.2m Ring Road Improvement Scheme.

These changes to side roads are being made to make them more effective and visible to users and motorists – special green textured surfacing will be applied on the side roads.

The process to apply the surfacing will take one day for each side road treated and will need temporary road closures and diversions for local traffic so that the work can be carried out safely.

Road closures with signed diversion routes will be in place on the following dates and in the following locations:-

Thursday 18th February: Heatherley Drive
Friday 19th February: Harmston Rise
Saturday 20th February: Ventnor Rise

We apologise in advance for any inconvenience that these works may cause and would like to assure you that we will do all that we can to keep disruption to a minimum.

For more information about these works, please contact us on **(0115) 876 5287**, email ringroad@nottinghamcity.gov.uk or visit the website **www.nottinghamcity.gov.uk/ringroad**
