Nottingham Ring Road
Improvement Scheme

Building a better Nottingham

Aspley Lane junction works in November / December 2013

The first major part of the Nottingham Ring Road Improvement Scheme, the remodelled junction where Aspley Lane meets the Ring Road by Bluecoat Academy, is nearing completion.

In order to surface the new junction and alter the traffic lanes, it is necessary to close the bus route through the works and to restrict Western Boulevard to one lane north and southbound on the following dates:

- **6pm on Friday 8 November until 6am Monday 11 November**
- **7pm on Friday 22 November until 6am Monday 25 November**
- **7pm on Friday 29 November until 6am Monday 2 December**

The no. 76 and 77 buses will be diverted along Nuthall Road and Melbourne Road during these times.

Artist's impression of the remodelled Aspley Lane / Ring Road junction

To minimise disruption to local residents, we will avoid noisy work (over 85 decibels) at night-times. On weekdays this is from 11pm – 7am, Saturdays from 11pm – 8.30am and on Sundays from 11pm – 9am. We expect the new Aspley Lane junction to be opened early in December 2013.

We apologise in advance for any inconvenience that these works may cause, and would like to assure you that we will do all that we can to keep disruption to a minimum.

For more information about these works please contact us on (0115) 924 24 54, email ringroad@nottinghamcity.gov.uk or visit the website www.nottinghamcity.gov.uk/ringroad
