

NET Phase Two
Beeston and Chilwell route

Resurfacing works on Abbey Street

Resurfacing works are due to take place on the A6005 Abbey Street at the White Hart junction with Gregory Street on the weekend of Friday 21 – Monday 24 October, and there will be some temporary Traffic restrictions in place at this time. These works are being done during a weekend in half term in a bid to minimise disruption.

Works will begin at 8pm on Friday 21 October and continue until 5am on Monday 24 October. On Friday evening to Saturday lunchtime, the inbound route to the city centre on this road will be closed but the outbound route will be open. During this period it will be possible to turn left into and out of Gregory Street South.

From Saturday lunchtime until early Monday morning, the outbound routes from the city centre will be closed but the route to the city centre will be open. During this period it will be possible to turn left into and out of Gregory Street North.

Diversions and traffic management signs will be in place, and access to residences, businesses and offices will be maintained, as will access to the Martinmas Fayre at Priory Park & Priory Church of St Anthony on Saturday 22 October. There is a possibility of delays during this time so please leave more time for your journey.
Trams will run as normal but some buses may face diversions. Please contact your local bus company for further information. These works are being done during a weekend in half term in a bid to minimise disruption.

If you are attending the Nottingham Forest home match against Cardiff City on Saturday 22 October at 5.30pm, please allow additional time for your journey, or consider an alternative route or one of the city's free Park and Ride sites.

A plan showing the temporary restrictions is on the back of this leaflet.

We apologise in advance for any inconvenience that these works may cause you and would like to assure you that we will endeavour to complete the works as quickly as possible.

For more information about these works, please contact us on the number below or visit the NET website **(www.thetram.net)** or the Nottingham City Council news website **(www.mynottinghamnews.com)**
