Nottingham
Ring Road
Improvement Scheme

Building a better Nottingham

Aspley Lane junction closure from Friday 11 October – Monday 14 October

Nottingham Ring Road Improvement Scheme commenced in July 2013, and major works to remodel the roundabout by Bluecoat Academy on Aspley Lane are well underway.

The next stage of the works at Aspley Lane is to build the centre section of the new Aspley Lane / Ring Road junction. We must first move the traffic lanes on the Ring Road to create a safe working area and, to do this, it is necessary to close the bus route through the works from **7pm on Friday 11 October until 6am Monday 14 October.** No. 76 and 77 buses will, therefore, be diverted along Nuthall Road and Melbourne Road during the weekend closure.

Artist's impression of the remodelled Aspley Lane / Ring Road junction

To minimise disruption to local residents, we will avoid noisy work (over 85 decibels) at night-times. On weekdays this is from 11pm – 7am, Saturdays from 11pm – 8.30am and on Sundays from 11pm – 9am. We expect to complete the works at Aspley Lane by December 2013.

We apologise in advance for any inconvenience that these works may cause, and would like to assure you that we will do all that we can to keep disruption to a minimum.

For more information about these works please contact us on (0115) 924 24 54, email ringroad@nottinghamcity.gov.uk or visit the website www.nottinghamcity.gov.uk/ringroad
