PHASE 10 - 02/04/15 to 15/04/15 (2 WEEKS, EASTER HOLIDAYS)

WORKS TO BE CARRIED OUT:-

Road resurfacing, permanent pedestrian and cycle crossings installation, new road markings and signage

TRAFFIC AND PEDESTRIAN MANAGEMENT

- Various lane restrictions will be necessary; severe traffic delays expected. Actual dates for road resurfacing and associated traffic management required will be provided in advance
- Hucknall Road southbound exit reduced to one lane
- Two lanes of traffic maintained on Valley Road
- Temporary pedestrian crossings to be provided on Valley Road and Hucknall Road until new traffic signals in operation
