

Nottingham Ring Road Improvement Scheme roadworks update

Hucknall Road / Valley Road Roundabout – surfacing works

Works to increase the capacity and introduce new and upgraded pedestrian and cycle crossing facilities at the Hucknall Road / Valley Road roundabout as part of the Nottingham Ring Road Improvement Scheme were substantially completed in June 2015. The final stage of the works involving the reconstruction and surfacing of the junction are due to start on 10 August for two weeks.

Preparatory works will take place Monday to Friday during off-peak hours (9.30am -3.30pm) on the arms of the roundabout – lane restrictions will be in place on all approaches to the junction. From 7.00pm to 11.00pm Hucknall Road will be **closed** at its junction with Valley Road – signed diversion routes will be in place for access to/from the Ring Road and for traffic travelling along Hucknall Road. Alternative routes inbound will be via Arnold Road, Edwards Lane and Perry Road; outbound routes will be Hucknall Road, Perry Road, Edwards Lane, Arnold Road. Access to the City Hospital Campus, local shops and properties will be maintained. Traffic on the Ring Road will be maintained however lane restrictions with a contraflow system will be in place. Motorists are advised to allow extra time for their journeys.

From 7.00pm on 21th August to 6.00am 24th August 2015, the roundabout will be **completely closed** to **all** traffic to carry out the final surfacing works. Hucknall Road traffic will use diversion routes as described for the evening closures; alternative routes for Ring Road traffic will use Nottingham Road, Gregory Boulevard and Mansfield Road (and vice versa). Motorists are advised to allow extra time for their journeys or to use an alternative route where possible.

Bus Services

For the Hucknall Road closure only - Bus services Trentbarton 141, Rainbow 3, 3a, 3b, 3c and NCT 15, 16 and 17 will be diverted via Arnold Road, Edwards Lane and Perry Road inbound – vice versa for outbound services.

NCT services 40 and 42 will be diverted along Edwards Lane to enter the City Hospital via Gate 5 and exit through Gate 4. Routes will operate to and from the Purple Car Park as normal.
