Roadworks News

Derby Road works July 2015

We are pleased to update you on our works to improve Derby Road between Maid Marian Way and Canning Circus.
These improvements are part of a programme of works to support economic growth.

The programme is funded by Nottingham City Council and the European Regional Development Fund (ERDF).

The first phases of the improvements are now complete and have generally been very well received by local businesses, organisations and residents. We would now like to let you know that we are moving on to the next phases of the work. Unfortunately there will be side road closures at North Circus Street and Upper College Street which may affect you.

Phase 1 – from Monday 27th July

North Circus Street will be closed from Monday 27th July for approximately two weeks. To carry out this work some temporary arrangements will be needed:

- No entry to North Circus Street from Derby Road, access will be a signed diversion via Upper College Street and College Street
- Wellington Circus and North Circus Street one way restriction will be suspended
- Temporary removal of parking on Wellington Circus and North Circus Street

Phase 2 – from Monday 10th August

Upper College Street will be closed from Monday 10th August for approximately four weeks. To carry out this work some temporary arrangements will be needed:

- No entry to Upper College Street from Derby Road, access will be a signed diversion via Derby Road, Canning Circus and The Ropewalk
- Temporary removal of pay & display parking on Upper College Street

Access to local businesses, loading and off street parking will be maintained throughout the works.

Nottingham City Council apologise for any inconvenience these works may cause.
