Nottingham City Council

Environment Act 1995 Part IV Section 83 (1) & (2)

Nottingham City Council

Nottingham No. 3 Air Quality Management, 2002 (Nitrogen Dioxide) Variation Order

Nottingham City Council, having reviewed air quality within its area in accordance with Section 82 Environment Act 1995 ("the Act"), now, in exercise of the powers conferred upon it by Section 83(1) of the Act makes this Variation Order.

This Variation Order may be cited/referred to as the Nottingham No.3 Air Quality Management Area Variation Order 2010 and shall come into effect on 22nd day of June 2010.

This Order alters the boundaries of the designated area defined in the Nottingham No.3 Air Quality Management Order, 2002 (Nitrogen Dioxide) and comprises the area shown on the attached map edged in black which is hereby designated as the varied Air Quality Management Area (the designated area). The map may be viewed at the Council Offices .

The designated area is described in the Schedule below.

This area is designated in relation to a likely breach of the nitrogen dioxide annual mean objective as specified in the Air Quality Regulations 2000.

In the case of conflict between the wording of this Variation Order and the map, the map shall prevail.

This Variation Order shall remain in force until it is further varied or revoked by a subsequent order.

Schedule

The designated area which may be referred to as the Nottingham No.3 Air Quality Management Area 2010 comprises the area shown edged black on the attached map, and the boundary of the designated area shall be the inner edge of the line enclosing the area.

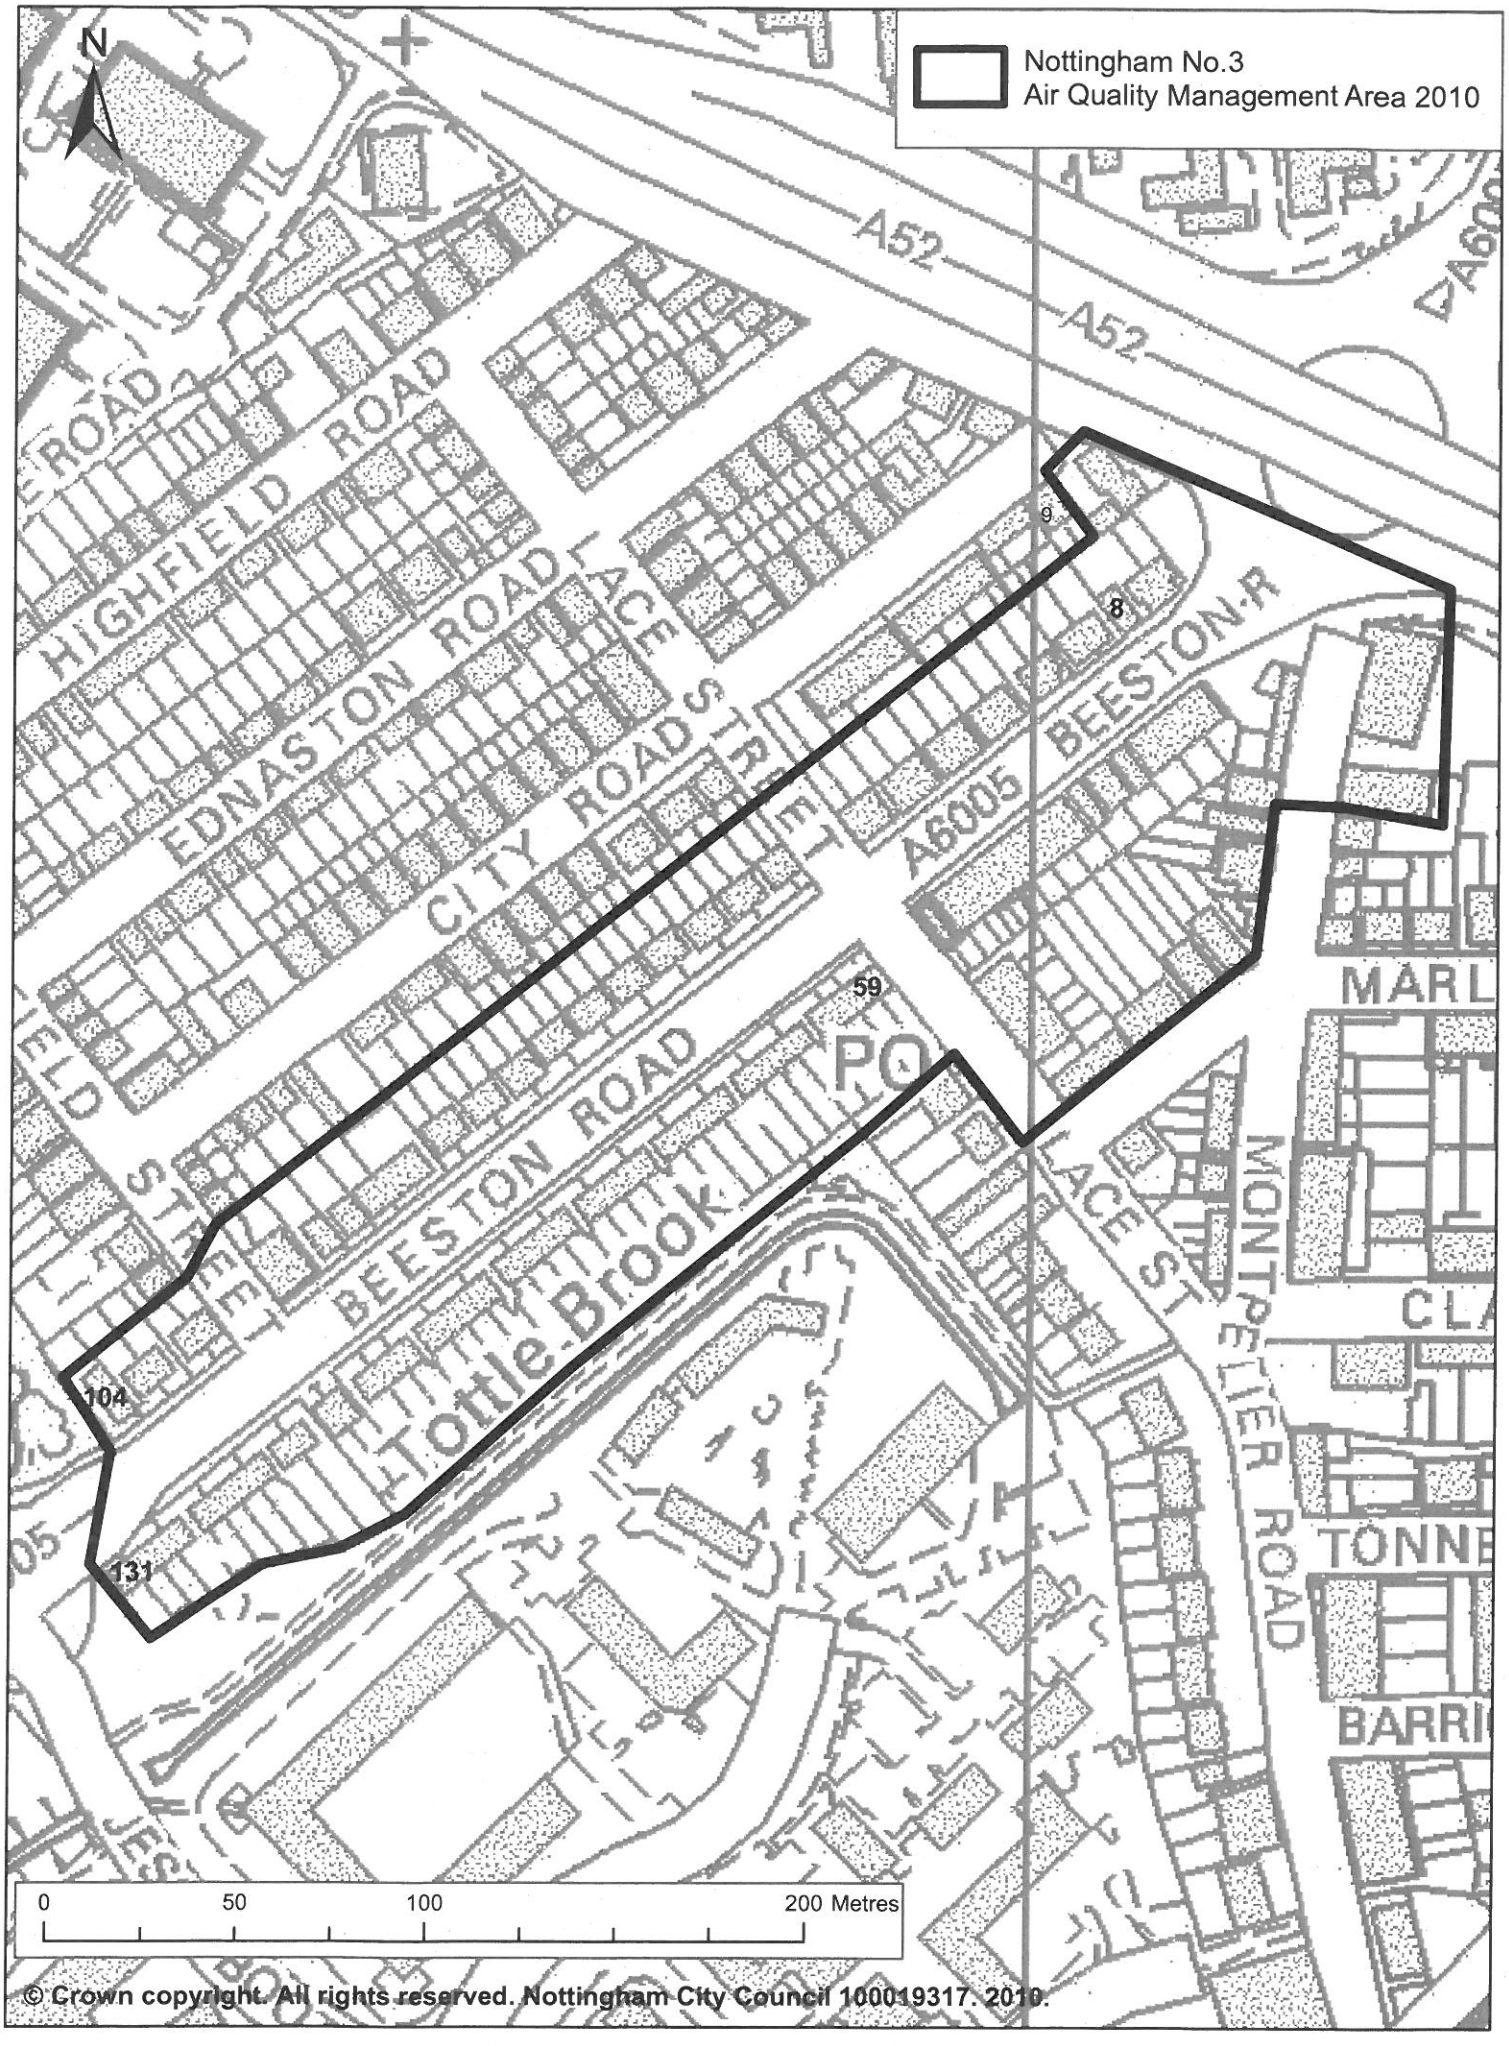

The designated area comprises:

the area encompassed by the boundary which from the west side of 104 Beeston Road passes north-west to the rear of the property and then turns north-east and continues along the property line of the rear gardens of house numbers 104 to 8 Beeston Road. It then turns north-west passing the east side of 9 City Road, turns north-east and continues on City Road (S side) to meet Clifton Boulevard. The boundary turns to a south-easterly direction and passes near Dunkirk roundabout to the south junction of Beeston Road/ Clifton Boulevard. At which point it turns south at the rear of the community centre and adjacent building then west to cross Montpelier Road.

The boundary continues south along Montpelier Road (N side) and then south-west on Brailsford Road (N side) to Lace Street then turns north-west on Lace Street (W side). It then turns south-west and continues near the property line of the rear gardens of house numbers 59 to 131 Beeston Road.

The boundary turns north-west then crosses Beeston Road to meet the starting point 104 Beeston Road.
