Appendix 1a Health and Wellbeing Implementation Group Project Plan Update

Nottinghamshire Pharmaceutical Needs Assessment (PNA)

Project Plan Update

Health & Wellbeing: Joint Strategic Needs Assessment (JSNA), Strategy & Outcomes Group

15th October 2013

Purpose

From April 2013 Health and Wellbeing Boards have a statutory responsibility to produce and publish a Pharmaceutical Needs Assessment (PNA). The Public Health Department Nottinghamshire County will lead the development of the PNA and keep up to date a statement of the needs for pharmaceutical services of the population of Nottinghamshire. To increase efficiencies, Nottinghamshire County and Nottingham City will work jointly to develop the PNA with the publication of separate PNA's for the city and county. It is envisaged that the engagement of key stakeholders within the process will support contribution to the content of the PNA documents.

The PNA documents that will be developed as an output of this project will replace Nottinghamshire County's existing PNA (published in February 2011) and fulfil the statutory requirement to publish a revised PNA by April 2015.

Aims of the PNA

1. Identify the pharmaceutical needs of the population of Nottinghamshire
2. Support the decision making process for pharmacy applications (subject to regulation).
3. Support commissioning decisions in relation to pharmacy services
4. To identify gaps in provision when mapped against health need
5. To determine which directed services (advanced and enhanced) exempt applications (e.g. 100 hour pharmacies) must provide

The objectives of the PNA

1. To have a clear picture of the distribution and provision of essential and advanced pharmaceutical services in Nottinghamshire
2. Provide a clear picture for commissioned and potential contractors of the current service provision by community pharmacies and identify any gaps in provision
3. To facilitate the planning process of possible future community pharmaceutical service requirements as identified within the PNA
4. To enable robust commissioning decisions for enhanced services from community pharmacies where needs are identified
5. To facilitate the directing of enhanced services that community pharmacies under the "exempt" category within the current control of entry regulations (100 hour and wholly internet pharmacies) should provide

The PNA will be used as a basis to determine future pharmaceutical service provision and market entry to support local health needs. It will also be used to take current stock of services and to

identify gaps in current services relating to population health needs. The scope of services included is to be agreed.

The PNA will enable health and social care organisations in Nottinghamshire County to commission services from community pharmacy that meet local needs and deliver services that are demonstrated to be evidence based and value for money to enable community pharmacy to remain an intrinsic element of the local health system.

Steering Group

A multi-agency steering group will support the development of the PNA for Nottingham City and Nottinghamshire County. . The PNA Steering Group will be accountable to Nottinghamshire County Health and Well Being Board and Nottingham City Health and Wellbeing Board. The steering group will include representatives from:

- NHS England Area Team Derbyshire and Nottinghamshire
- NHS England Area Team South Yorkshire and Bassetlaw
- County CCG representative (for the 6 CCGS) – Medicines Management
- City CCG representative – Medicines Management
- Local Pharmaceutical Committee (LPC)
- Local Medical Committee (LMC)
- Public Health information team (joint team covers City and County Public Health)
- Associate Director of Public Health (PNA Sponsor County)
- Consultant in Public Health Medicine (PNA Sponsor City)
- Public Health Manager x2 (City and County)

Task and finish groups will be established to complete tasks defined by the steering group.

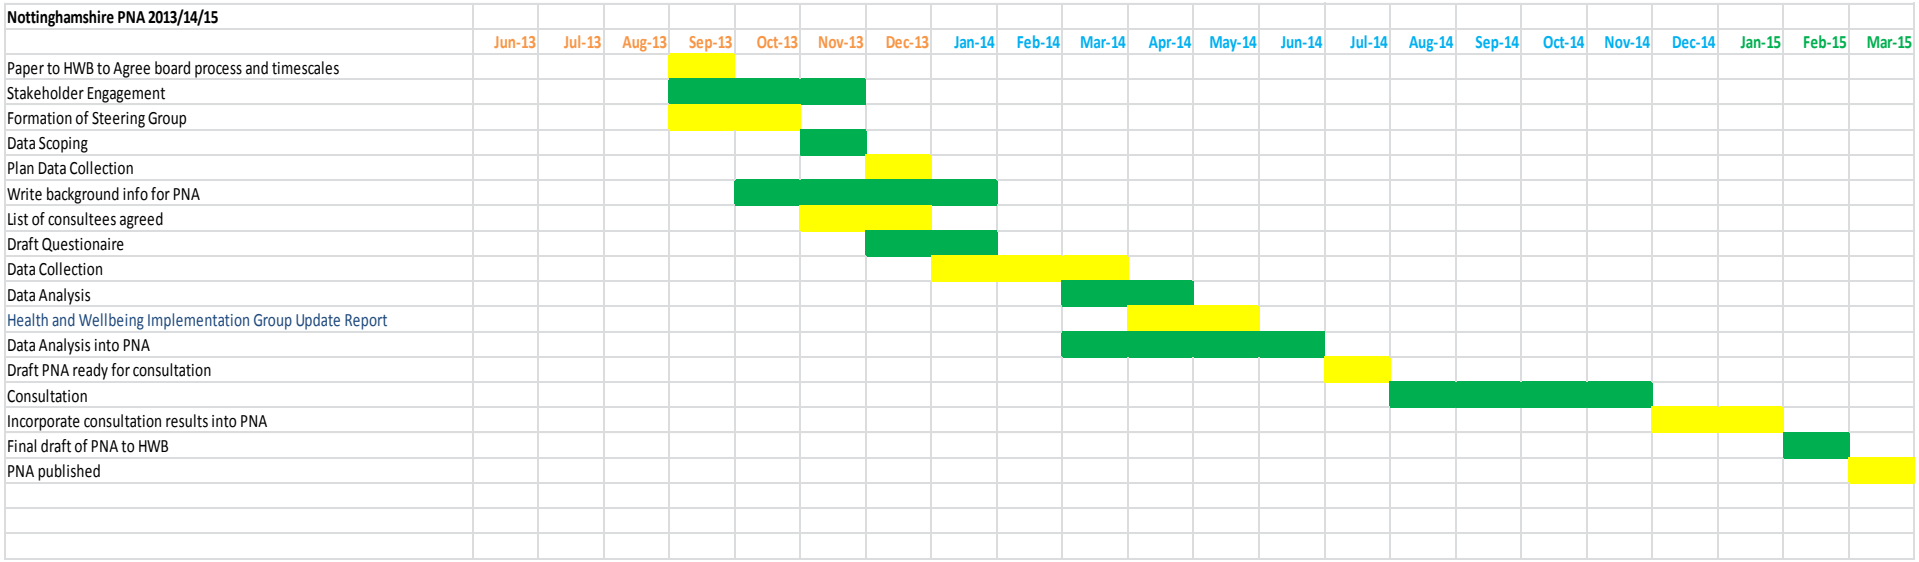

Timeline

Refer to Appendix 1

Recommendations:

The JSO is asked to:

- Agree principle of joint working with Nottingham City and Nottinghamshire County
- Confirm support to enable the PNA documents for Nottingham City and Nottinghamshire County to be completed within the proposed timeframe (Appendix 1)

Appendix 1b Steering Group Terms of Reference

Nottinghamshire County and Nottingham City
Pharmaceutical Needs Assessment (PNA) Steering Group

DRAFT Terms of Reference – December 2013

PNA Purpose

Introduction

From April 2013 responsibility for producing a Pharmaceutical Needs Assessment (PNA) transferred from PCTs to Health and Wellbeing Boards. Nottingham City and Nottinghamshire County councils both have their own Health and Wellbeing Boards. These are local authority committees but have statutory membership including the relevant Clinical Commissioning Groups. The regulations state that each Health and Wellbeing Board must produce a revised PNA by April 2015. Nottingham City and Nottinghamshire County have chosen to undertake this work jointly in order to increase efficiencies although two separate PNAs will be published. A variety of stakeholders will need to make significant contributions to this work. Public Health Nottinghamshire County and Nottingham City will lead the development of the PNAs and keep up to date a statement of the needs for pharmaceutical services of the relevant populations.

Aim of the PNA

To *systematically* identify what is needed by the population at a local level, describe services that are currently delivered, and in consultation with stakeholders, recommend options for improvement within existing pharmaceutical services as well as providing a rationale for future new entrant pharmacies.

Objectives of the PNAs

6. Identify the pharmaceutical needs of the population of Nottinghamshire and Nottingham City.
7. Support the decision making process for pharmacy applications (subject to regulation).
8. Support commissioning decisions in relation to pharmacy services.
9. To identify gaps in provision when mapped against health need.
10. To determine which directed services (advanced, enhanced and locally commissioned) exempt applications (e.g. 100 hour pharmacies) must provide

The PNA will enable health and social care organisations in Nottinghamshire to commission services from community pharmacy that meet local needs and deliver services that are demonstrated to be evidence based and value for money to enable community pharmacy to become an intrinsic element of the local health system.

The PNA will be used as a basis to determine future pharmaceutical service provision and market entry to support local health needs. It will also be used to take current stock of services and to identify gaps in current services relating to population health needs. The scope of services included is to be agreed.

Proposed service Scope

- Community pharmacies
- Dispensing practices
- Appliance contractors
- Hospital pharmacies
- Internet pharmacies

Aim of the Steering group

To drive and oversee the development and production of high quality PNAs for both Nottinghamshire and Nottingham City, by the required production date of April 2015.

Steering group membership

- Associate Director of Public Health (PNA Sponsor County)
- Consultant in Public Health Medicine (PNA Sponsor City)
- Public Health Manager x2 (City and County)
- Public Health information team (joint team covers City and County Public Health)
- NHS England Area Team Derbyshire and Nottinghamshire
- NHS England Area Team South Yorkshire and Bassetlaw
- Local Pharmaceutical Committee (LPC)
- County CCG representative (for the 6 CCGs) – Medicines Management
- City CCG representative – Medicines Management

Accountability

The steering group will be accountable to both Nottingham City and Nottinghamshire County Health and Wellbeing Boards.

Responsibilities of all steering group members

Partners will agree and support the development and production of both PNAs, providing expert advice and support as required.

Meetings

Meetings will be held bi-monthly or as required at venues accessible to all partners.

Chair

The group will be chaired on an alternating basis by Cathy Quinn (Associate Director of Public Health, Notts County council) and Jo Copping (Consultant in Public Health Medicine, Nottingham City Council)

Quoracy

Meetings will be deemed quorate when representatives from the following members are present: Public Health team (County), Public Health (City), Local Area Team (Derbyshire and Nottinghamshire), LPC (Nottinghamshire).

Administration

Public Health, Nottingham City will provide admin support [until December 2013, future arrangements TBC]

Appendix 4a Public Needs Survey Questionnaire

Public Pharmacy Survey

2014

This survey wants to know all about your experiences and satisfaction with the main pharmacy you use, and whether there is anything you would wish to change. Your answers will feed into your local 'Pharmaceutical Needs Assessment' which is used to inform decision making about where to site pharmacies, opening hours and what services are provided.

Confidentiality Statement

All information provided will remain anonymous and kept strictly confidential. It will be used only for the stated purposes and will not be passed onto a third party. We will publish an overall summary of responses, which may include anonymised text comments, but will ensure no individual can be identified from any replies published.

1. Do you live in....? *(Select one option)*

- ☐ Nottingham City
- ☐ Nottinghamshire County *(includes Ashfield, Bassetlaw, Broxtowe, Gedling, Mansfield, Newark and Sherwood, Rushcliffe)*

---

2. Are you responding as....? *(Select one option)*

- ☐ As a member of the public
- ☐ On behalf of a group or organisation *(Please name group or organisation below)*

Name of the group or organisation ☐

---

3. Please supply your full postcode (e.g. NG2 3NG)

☐ ☐

For the following questions please consider the pharmacy you use most frequently, this may be near to your doctors, home or workplace, or perhaps is a late opening pharmacy slightly further away. We will refer to this as 'your pharmacy'.

4. Do you always visit the same pharmacy? *(Select one option)*

- ☐ All of the time
- ☐ Most of the time
- ☐ Rarely
- ☐ Never

If answered 'never' to the previous question, please consider your most recently used pharmacy for the following questions.

5. Why do you use this one? *(Tick all that apply)*

- ☐ Near to my house
- ☐ Near to my doctors
- ☐ Near to my work
- ☐ Long opening hours
- ☐ Happy with customer service
- ☐ Happy with services provided
- ☐ Other *(please specify below)*

6. On average, how often do you use the services provided by your pharmacy? *(Select one option)*

- ☐ Less than 3 times a year
- ☐ 3-6 times a year
- ☐ 6-12 times a year
- ☐ At least monthly

7. Which of the following pharmacy services are you aware that your pharmacy provides? *(Tick all that apply)*

- ☐ Dispensing of prescriptions
- ☐ Repeat dispensing
- ☐ Home delivery services and prescription collection services
- ☐ Buying over the counter medicines
- ☐ Advice from your pharmacist *(e.g. healthy Lifestyle, medicines advice, signposting etc.)*
- ☐ Disposing of old or unwanted Medicines
- ☐ Sitting down with your pharmacist and talking about how you use your medicines
- ☐ Stop smoking / nicotine replacement therapy
- ☐ Sexual health services *(pregnancy testing, Chlamydia testing/treating, condom distribution, emergency contraception)*
- ☐ Palliative care *(end of life care)*
- ☐ Getting medicines for free without a prescription for minor ailments
- ☐ Supervised consumption of methadone and buprenorphine
- ☐ Needle exchange

8. How often have you used any of the following services at your pharmacy? *(Select one option per line)*

	At least once a month	Every 1-3 months	Occasionally	Never
Dispensing of prescriptions	☐	☐	☐	☐
Repeat Dispensing	☐	☐	☐	☐
Home delivery services and prescription collection services	☐	☐	☐	☐
Buying over the counter medicines	☐	☐	☐	☐
Advice from your pharmacist *(e.g. healthy Lifestyle, medicines advice, signposting etc.)*	☐	☐	☐	☐
Disposing of old or unwanted Medicines	☐	☐	☐	☐
Advice from your pharmacist for a minor illness	☐	☐	☐	☐
Sitting down with your pharmacist and talking about how you use your medicines	☐	☐	☐	☐
Stop smoking / nicotine replacement therapy	☐	☐	☐	☐
Sexual health services *(pregnancy testing, Chlamydia testing/treating, condom distribution, emergency contraception)*	☐	☐	☐	☐
Palliative care *(end of life care)*	☐	☐	☐	☐
Getting medicines for free without a prescription for minor ailments	☐	☐	☐	☐
Supervised consumption of methadone and buprenorphine	☐	☐	☐	☐
Needle exchange	☐	☐	☐	☐

9. Please state any other services you have used at your pharmacy

Some pharmacies offer a Medicines Use Review (MUR) which is a free NHS service offered by pharmacies in the UK. The review involves an appointment with your local pharmacist, in a private consultation room. It is an opportunity for you to discuss your medicines with a pharmacist, to understand how your medicines should be used and why they have been prescribed, as well as solving any problems you may have with them. (Source: Royal Pharmaceutical Society)

10. If you have had one, did you find it useful? *(Select one option)*

- ☐ Yes
- ☐ No
- ☐ Have not had a medicines use review

11. Would you like any of the following services to be available at your pharmacy? *(Select one option per line)*

	Yes	No	Don't Know
NHS Health Checks	☐	☐	☐
Anticoagulation (warfarin) monitoring clinics	☐	☐	☐
Alcohol brief interventions	☐	☐	☐
Weight management clinics	☐	☐	☐
Cholesterol testing	☐	☐	☐
Blood pressure testing	☐	☐	☐
Pain management clinics	☐	☐	☐
Vaccination e.g. Seasonal Influenza	☐	☐	☐

12. Please state any other services you would like to be available at your pharmacy?

13. How satisfied are you with the current hours that your pharmacy is open? *(Select one option)*

- ☐ Very satisfied
- ☐ Satisfied
- ☐ Neither satisfied nor dissatisfied
- ☐ Fairly dissatisfied
- ☐ Very dissatisfied
- ☐ I'm not sure when my pharmacy is open

14. Would you like your pharmacy to open at additional times? *(Select one option)*

- ☐ Yes
- ☐ No

15. Which of the following times would you most like your pharmacy to be open? *(Please tick all that apply)*

- ☐ Before 9am
- ☐ Lunchtime
- ☐ After 6pm
- ☐ Saturdays
- ☐ Sundays

---

16. There are already a number of pharmacies in Nottingham City and Nottinghamshire that are open from early in the morning to late at night and at weekends. (*Please tick all of the following statements that apply*)

- ☐ I am aware that there are pharmacies locally with extended hours
- ☐ I know where they are
- ☐ I have used one
- ☐ I would use one

---

17. Have you used the NHS choices website (www.nhs.uk) to look up pharmacy locations and opening times? *(Select one option)*

- ☐ Yes
- ☐ No

---

18. On average, how long do you have to wait for your medication to be dispensed at your pharmacy? *(Select one option)*

- ☐ 5 mins or less
- ☐ 6 to 10 mins

- ☐ Am usually asked to come back the following day
- ☐ I telephone in advance to order my prescription
- ☐ Don't know/not sure

19. Are you happy with the length of time you have to wait? *(Select one option)*

- ☐ Yes
- ☐ No

---

20. To what extent do you agree or disagree with each statement? *(Select one option per line)*

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree	Don't know
I see a different pharmacist each visit	☐	☐	☐	☐	☐	☐
The quality of information leaflets is good	☐	☐	☐	☐	☐	☐
Information is available in different languages or formats on request *(e.g. braille)*	☐	☐	☐	☐	☐	☐
There is clear signposting to other services/advisory bodies/self-help groups	☐	☐	☐	☐	☐	☐

---

21. Any other comments?

Nottingham City Council and Nottinghamshire County Council are committed to equality of opportunity, and would like to learn about which groups of people are using their services along with their needs. The following questions are optional.

22. How old are you? *(Select one option)*

- ☐ Under 16
- ☐ 16 to 24
- ☐ 25 to 34
- ☐ 35 to 44
- ☐ 45 to 54
- ☐ 55 to 64
- ☐ 65 to 74
- ☐ 75+
- ☐ Prefer not to say

23. Are your day to day activities limited because of a health problem or disability which has lasted, or is expected to last, at least 12 months? *(Select one option)*

- ☐ Yes, limited a lot
- ☐ Yes, limited a little
- ☐ No
- ☐ Prefer not to say

---

24. What is your gender? *(Select one option)*

- ☐ Male
- ☐ Female
- ☐ Prefer not to say

---

25. What is your sexual orientation? *(Select one option)*

- ☐ Bisexual
- ☐ Gay man
- ☐ Gay woman/Lesbian
- ☐ Heterosexual or Straight
- ☐ Other
- ☐ Prefer not to say

---

26. What is your religion or belief, even if you are not currently practicing? *(Select one option)*

- ☐ No religion or belief
- ☐ Buddhist
- ☐ Christian (including Church of England, Catholic, Protestant and all other Christian denominations)
- ☐ Hindu
- ☐ Jewish
- ☐ Muslim
- ☐ Sikh
- ☐ Prefer not to say
- ☐ Any other religion or belief, please state below

27. What is your ethnic group? *(Select one option)*

- ☐ White - English, Welsh, Scottish, Northern Irish, British
- ☐ White - Irish
- ☐ White – Gypsy/Irish Traveller
- ☐ White - Other
- ☐ Mixed - White & Black Caribbean
- ☐ Mixed - White & Black African
- ☐ Mixed - White & Asian
- ☐ Mixed - Other

Nottinghamshire County Council

Nottinghamshire County Council

Pharmaceutical Needs Assessment Consultation

2014

Introduction

The local Pharmaceutical Needs Assessment (PNA) is a document that outlines services and ensures that pharmaceutical services across Nottinghamshire both meet the needs of the population and that they are in the correct locations to support the residents of Nottinghamshire.

Pharmaceutical services are provided by Community Pharmacies, Dispensing GP Practices and Dispensing Appliance Contractors.

Nottinghamshire County Council have a have a legal duty under Section 8 of The National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013 to consult with named organisations as well as the residents of Nottinghamshire on the findings and recommendations for pharmacy services provision.

The PNA is really important because it will be used as the basis for informing decisions when applications for new pharmacies are received and for commissioning of new services within community pharmacies.

This consultation will run for 60 days from ***October 1st, to November 30th, 2014***.

The Regulations require that the following organisations are formally invited to, and will be consulted on this PNA. In addition the PNA steering group has agreed to consult the local Clinical Commissioning Groups (CCGs) and GP practices that dispense pharmaceutical equipment. The full list of consultees is as follows:

- Nottingham CityCare Partnership
- Dispensing Doctor in Nottinghamshire
- Local Medical Committee
- Local NHS Trusts and NHS Foundation
- Local Pharmaceutical Committee
- LPS Chemists
- NAVO
- Neighbouring HWB (Nottingham City, Derbyshire, Leicestershire, Lincolnshire, Doncaster and Rotherham)
- NHS England
- Nottingham City HWB
- Nottinghamshire CCG's
- Nottinghamshire GP
- Nottinghamshire Healthwatch
- Other patient, consumer or community groups with an interest in provision of pharmaceutical services (CCG patient groups)
- Persons on Pharmaceutical List in Nottinghamshire

Responses from members of the public and other organisations that are not listed above are welcome. All consultation findings and comments will be summarised to produce the final local PNA document. We really value your views and would greatly appreciate it if you could complete this consultation.

The Draft PNA can be found at: http://www.nottinghamshireinsight.org.uk/d/106899
A full copy of the PNA Regulations can be found at: http://www.legislation.gov.uk/uksi/2013/349/contents/made
PNA development guidance can be found here: http://psnc.org.uk/wp-content/uploads/2013/08/PNAs-a-guide-for-local-authorities.pdf

An electronic or paper copy can be provided on request.

Further help:

If you need an electronic or paper copy or need help completing the survey, please contact Nicola North on nicola.north@nottscc.gov.uk or 01623 433035

Deadline:

Please respond by ***November 30th 2014***, Nottinghamshire County Council would like to thank you for taking the time to give your responses.

Navigating the Nottinghamshire PNA

The PNA is a large document consisting of 6 sections.

- Section 1 is a brief Executive Summary
- Section 2 introduces the PNA, describes the processes we followed and includes a description of pharmaceutical services.
- Section 3 covers the different types of pharmacy services provided across the county and the determination of geographical areas for our needs assessment.
- Section 4 is a demographic profile of the County, setting out the social and environmental context and providing population projections.
- Section 5 looks at the health needs of each district in turn and the current pharmaceutical service provision
- Section 6 outlines any gaps in services and recommendations subject to this consultation

Appendices have been added for additional detailed information and can be found here:
http://tinyurl.com/countypnaapp

Your views

Please let us know whether you agree or disagree with the following statements…

Section 1 (page 4 of the PNA) gives a brief summary of the PNA

1. The purpose of the PNA is clearly explained

☐ Agree

☐ Disagree (please add any comments you may have on this in the box below)

Section 2 (page 6 of the PNA) describes the process followed

2. The process of the PNA has been clearly explained

☐ Agree

☐ Disagree (please add any comments you may have on this in the box below)

Section 3 (page 8 of the PNA) provides an overview of pharmaceutical services in Nottinghamshire

3. The services are clearly described

☐ Agree

☐ Disagree (please add any comments you may have on this in the box below)

Section 4 (page 17 of the PNA) provides a demographic profile of the County

4. The demographics of the population have been clearly described

☐ Agree

☐ Disagree (please add any comments you may have on this in the box below)

Section 5 (page 24 of the PNA) looks at the pharmaceutical needs in each of the 7 districts

5. The PNA provides enough information to assess pharmaceutical need at district level

☐ Agree

☐ Disagree (please add any comments you may have on this in the box below)

Section 6 (page 52 of the PNA) sets out recommendations

6. The PNA recommendations reflects pharmaceutical needs

☐ Agree

☐ Disagree (please add any comments you may have on this in the box below)

Appendix 6 Equity Impact Assessment

Nottinghamshire County Council

Equality Impact Assessment (EqIA)

Introduction

This EqIA is for:	Nottinghamshire County Pharmaceutical Needs Assessment (PNA)
Details are set out:	
Officers undertaking the assessment:	Pharmaceutical Needs Assessment Steering Group Nicola North – Public Health Manager / Lead Officer undertaking this EqIA

Assessment approved by:	Cathy Quinn - Associate Director of Public Health Public Health-Nottinghamshire County	Date: 25.9.2014

The Public Sector Equality Duty which is set out in the Equality Act 2010 requires public authorities to have due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation; Advance equality of opportunity between people who share a protected characteristic and those who do not; Foster good relations between people who share a protected characteristic and those who do not.

The purpose of carrying out an Equality Impact Assessment is to assess the impact of a change to services or policy on people with protected characteristics and to demonstrate that the Council has considered the aims of the Equality Duty.

Part A: Impact, consultation and proposed mitigation

1 What are the potential impacts of proposal? *Has any initial consultation informed the identification of impacts?*

The PNA has used the Joint Strategic Needs Assessment (JSNA) and other Board approved documents to identify the local health priorities. It looks at current demographics and future trends and developments which may impact on the health of the local population. The PNA looks at issues that may affect it across the 3 years it could be valid for.

The PNA also identifies where pharmaceutical services are currently used to address these priorities and where changes may be required to fill any current identified gaps or to address possible future health needs.

The PNA is a tool which is used to inform commissioners of the current provision of

pharmaceutical services and where there are any gaps, in relation to the local health priorities, which could be addressed by improving services or access to services in that area.
The commissioners who find it most useful are Clinical Commissioning Groups (CCGs), Local Authority Public Health and NHS England.

The PNA is of particular importance to NHS England who since 1 April 2013, has been identified in the Health and Social Care Act 2012, as responsible for maintaining pharmaceutical lists. The PNA is a key document in making decisions with regard to applications made under the NHS (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013. The public and pharmacy survey was circulated to all pharmacies, NAVO, Healthwatch, NCVS GP's and hospitals giving the opportunity to feedback in particular by some of the protected groups.

People with acute and long term conditions requiring pharmaceutical therapy often have disadvantage due to their health status. The PNA seeks to ensure that Health Inequality is addressed to ensure maximum health for all.

The PNA document identifies groups of people by different factors e.g. their health needs, age ranges, or social demographics, whose health needs could be addressed by pharmaceutical providers to bring those with lower health outcomes more in line with the average for the area.

The PNA does not currently look in any detail at each of the 9 local protected characteristic groups and any associated health inequalities. More specific research to look at the health needs and recognise the specific health inequalities of these protected groups is needed in the JSNA or other documents which will help inform future PNAs. The patient survey was available for the general public, so a recommendation would be to meaningfully consult to reach protected groups.

It is recommended that in the future we actively target groups where we have identified as neutral impact to be certain we reach those groups.

Consultation with patient and carer reps from each of the local protected groups informed the PNA of any barriers to inclusion being experienced by vulnerable people from these groups e.g. in the way services are experienced, or the take up of such services through monitoring by protected group for example. Could use patient record declared demographics if appropriate?

The PNA aims to scrutinise along with Equality Impact Assessment process, for any significant gaps in pharmaceutical service provision for local vulnerable people. The patient survey also aims to give a voice to vulnerable people in shaping inclusive pharmaceutical services. The PNA document identifies groups of people by different factors e.g. their health needs, age ranges, or social demographics, whose health needs could be addressed by pharmaceutical providers to bring those with lower health outcomes more in line with the average for the area.

The overall effect would be improved access to services which will impact disadvantaged groups in a positive manner. The PNA will make recommendations which the HWB will consider to determine how services will be shaped.

PNA presents an opportunity to add value for equality and inclusion for local vulnerable people from protected groups. By consulting and engaging with the harder to reach, more marginalised groups we can improve our knowledge of the needs the pharmacies can meet through re-shaping of services such as location, services available, Equality Diversity and Human Rights aware staff who are confident in dealing with the needs of different groups who are often more vulnerable in many different ways. Also an awareness of the anticipatory duty to provide

reasonable adjustments for vulnerable patients linked to fair access to information, services and premises is required.

2 Protected Characteristics: Is there a potential positive or negative impact based on:

Age	☑ Positive	☐ Negative	☐ Neutral Impact
Disability	☑ Positive	☐ Negative	☐ Neutral Impact
Gender reassignment	☐ Positive	☐ Negative	☑ Neutral Impact
Pregnancy & maternity	☑ Positive	☐ Negative	☐ Neutral Impact
Race including origin, colour or nationality	☑ Positive	☐ Negative	☐ Neutral Impact
Religion	☐ Positive	☐ Negative	☑ Neutral Impact
Gender	☑ Positive	☐ Negative	☐ Neutral Impact
Sexual orientation including gay, lesbian or bisexual	☐ Positive	☐ Negative	☑ Neutral Impact

3 Where there are potential negative impacts for protected characteristics these should be detailed including consideration of the equality duty, proposals for how they could be mitigated (where possible) and meaningfully consulted on:

How do the potential impacts affect people with protected characteristics *What is the scale of the impact?*	How might negative impact be mitigated or explain why it is not possible	How will we consult
No negative impacts anticipated and therefore no actions to mitigate for.		

Part B: Feedback and further mitigation

4 Summary of consultation feedback and further amendments to proposal / mitigation

Pharmacy survey - this enquired with the pharmacy providers what services their pharmacy offered. It included questions related to customer access, including facilities for disabled customers and provision of targeted services, languages spoken by staff ,

Public survey- This asked about what services they liked or didn't like, how they accessed pharmacy services, what other services would the public like to be provided, amongst other questions.

The public consultation feedback did not raise any concerns regarding protected characteristics or where there where access to pharmacy services was an issue. (Both of the survey analysis will be published with the Pharmaceutical Needs Assessment in April 2015 on the Local Authority / Health and Wellbeing website)

We have taken into account the findings of the patient survey for any adverse impacts on local vulnerable people from protected groups. We would ask that consideration for any adverse impacts / feedback detailed in this Equality Impact Assessment when shaping future pharmacy services to be more inclusive to local protected group identified needs. It is important to give vulnerable groups a voice in re-shaping local services.

The PNA must legally be reviewed every 3 years to assess the new pharmacy provision has addressed local health needs and will discuss up new areas for improvement. In addition to this if there is a significant change to service provision in the area before the 3 year deadline then the PNA will be redone at the earliest opportunity. The Local Authorities and the CCGs will use their current communications systems with the public and specifically the protected groups to identify if there are any ongoing issues around the service provision from their areas. Local communities of interest patient reps should be encouraged to provide feedback to their local CCG on any barriers they perceive in accessing pharmacy services for local vulnerable people.

Completed EqIAs should be sent to equalities@nottscc.gov.uk and will be published on the Council's website.

Appendix 7a Pharmacy Opening Hours – Nottinghamshire County Excluding Bassetlaw
(See Appendix 7b for Bassetlaw)

Provided by NHS England, as of January 2015. Opening hours for pharmacies are available on the NHS Choices website
