## Children living in poverty*

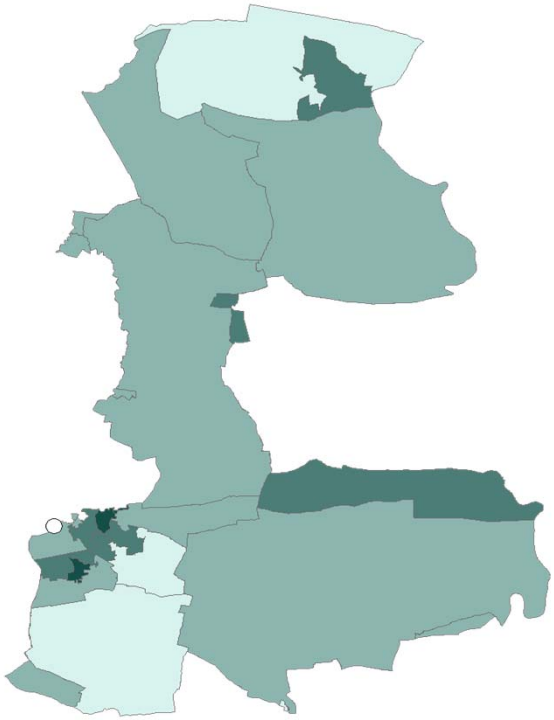

** Children living in poverty maps are based on the Income Deprivation Affecting Children Index (IDACI) which shows the percentage of children in each area that live in families that are income deprived and in receipt of certain benefits.*

***Nottinghamshire***

This map shows the differences in the levels of child poverty in Nottinghamshire.

***Retford Oaks Family***

This map shows the differences in the levels of child poverty in the area surrounding Retford Oaks Family. The location of the secondary school is shown by the white dot.

Note: Children Looked After is a count of the number of pupils attending Nottinghamshire schools who have been looked after continuously for 6 months during the 2010/11 year and are aged 5-15. The information is based on the Local Authority return. (Source: RAISEOnline)
NCY = National Curriculum Year
