# Environmental policy

Nottingham City Homes Repairs

The Property Services section of Nottingham City Homes provides a comprehensive, high quality repairs and maintenance service for Nottingham City Councils tenants and leaseholders. We recognise the need to protect and enhance the local and global environment through our own and others activities. We are committed to minimising our adverse environmental impacts, while enhancing the quality of life for our customers.

**We will ensure through leadership and delivery of the highest standard:**

- Compliance with all applicable legal, regulatory and other requirements
- Prevention of, pollution to air, land and water
- Continual improvement by setting specific, measurable, achievable and realistic, objectives and targets at all levels of planning and service delivery
- Staff and people working on behalf of the company, are aware of and understand this policy

The principles of our Environmental Management System will be promoted to all employees and subcontractors and will be available to all members of the public upon request.
