Sources, Definitions and Caveats:

Wards and Area names: *Area Committee areas are comprised of wards. Instead fo listing out the wards in each Area Committe, the tables above give numbers for ease, but these are not official names for the Area Committees: 1-Aspley, Bilborough, Leen Valley; 2-Basford, Berridge, Sherwood; 3-Bestwood, Bulwell, Bulwell Forest; 4-Castle, Hyson Green and Arboretum, Radford; 5-Clifton East, Clifton West; 6-Dales, St Ann's, Mapperley; 7-Lenton and Wollaton East, Meadows, Wollaton West.*

Population: *Source: ONS Mid-year estimates 2014 and 2019.*

Ethnicity: *Source: Census 2011*

Households: *Source: Households and Student Households are estimated using data on residential properties and Council tax exemptions as at November 2020*

Registered Unemployed: *Source: DWP Alternative Claimant Count via Nomis. Rate is number of current JSA claimants; current UC claimants in the 'searching for work' category and 'additional claimants' who would be classed as unemployed under UC but are not currently claiming UC, as a proportion of the mid 2019 working age population estimates.*

DWP Benefits: DWP Universal Credit, Alternative Claimant County, Employment and Support Allowance, Income Support and Benefit Combinations from Stat Xplore November 2020. The total number of benefit claimants is calculated by NCC and is unofficial - see the Benefits Bulleton for more information. An 'out of work benefit' has conditions requiring the claimant to undertake activities related to a return to work. 'Other DWP benefit' are mostly related to long term sickness, disability or caring responsibilities.

Mortality rates: *Source: Nottingham City PCT Health Informatics Service. Rates are Directly Standardised to the European Standard population to allow for differing age profiles within areas. Rates are premature (under 75) deaths per 1000 population, based on three years of pooled data April 2017-March 2019 Please note the Confidence Limits.*

Life Expectancy: *Source: Nottingham City PCT Health Informatics Service. Life Expectancy at birth for Males and Females 2017-2019. Please note confidence limits apply.*

Educational attainment: *Source: Nottingham City Council Children and Adult's Department. Data are for pupils resident in an area and attending City schools. Key Stage 1 2 rate is proportion of pupils attaining at least the expected level in Reading, Writing or Maths. Key Stage 2 rate is proportion of pupils attaining at least the expected level 5 in reading, writing and maths combined, or grammar, punctuation and spelling. Key Stage 4 rates are proportion of pupils attaining a 9-4 pass at GCSE for English / Maths, and the average Attainment 8 and Progress 8 scores.*

Attainment 8 *measures the achievement of a pupil at Key Stage 4 across 8 qualifications including maths and English.* **Progress 8** *measures the progress a pupil makes from the end of primary school to the end of secondary school. It compares their achievement –their Attainment 8 score – with the average Attainment 8 score of all pupils nationally who had a similar starting point at the end of primary school. The greater the Progress 8 score, the greater the progress made. A score above zero means pupils made more progress, on average, than pupils across England who got similar results at the end of key stage 2 and vice versa.*

Crime Rates: *Source: Nottinghamshire Police Operational Data. Crime statistics are operational data taken from a live crime recording system. The data have not been audited or verified and must therefore be taken as an indication only. Dwelling burglaries are incidents per 1000 households, Violent Crimes are incidents per 1000 population. Vehicle Crimes are thefts of or from a vehicle - per 1000 population.*

Fly Tipping: *Source: Streetscene, Nottingham City Council. Number of incidences reported per 1000 households.*

Traffic Casualties: *Source: Nottingham City Council City Development Department. Number of people Killed or Seriously Injured on City Roads, by place of accident not address of person injured.*

Social Services for Older People: *Source: Nottingham City Council Adult Services, Housing and Health. People aged 75 and over living in households who received a Social Service during 2020/21 as a proportion of all 75 and over living in households from the 2019 Mid Year Estimates*

Indices of Deprivation 2019: *Source: Department for Communities and Local Government*

2019 Citizens' Survey: *Source: Nottingham City Council Citizens' Survey, 2019. People stating they are satisfied with their neighbourhood; People agreeing they can influence decisions affecting their local area; their local area is a place where people from different backgrounds get on well together.*
