Description

Terrace of three townhouses with 1900 date stone. Symmetrical arrangmeent. Central, four square plan house with grand central doorcase and four window range. To either end, a gabled townhouse with two storey bay window. Ashlar dressings and red brick walls. Properties retain a good proportion of original glazing bar sash windows and doors, dwarf stone wall and decorative iron railings and gates. More information needed - was it a school? Institutional building consisting of a central building with ranges on either side with 1900 date stone. Symmetrical arrangmeent. Central, four square plan house with grand central doorcase and four window range. To either end, a gabled range with two storey bay window. Ashlar dressings and red brick walls. Properties retain a good proportion of original glazing bar sash windows and doors, dwarf stone wall and decorative iron railings and gates. The original use is unclear but it was reportedly used by the British Association of Colliery Management from their formation in the 1940s.
