Local List Proposal

Grade II Listed Building

Description

Appears 1930s Arts and Crafts inspired design. This is supported by the OS map evidence. Described in Wright & Curtis 1995 as "A Victorian corner pub, formerly a Shipstone's house, the Foresters' Inn was a beerhouse under publican Mrs. E. Mellors in 1868 (Wright). Cave cellars measure 13m x 16m and are referenced MNU 497 and BGS Hj3". This is not supported by the map evidence as PH is not marked on OS before 1946 and before that date the site appears to have been housing before then.
