Daybrook Vale Nurseries House

Local Heritage Asset Register

Sherwood

HA921

Status:	Recommendation to add
Age:	Victorian (1837-1901)
Conservation Area:	N
Date added to the list:	
Condition:	Bad

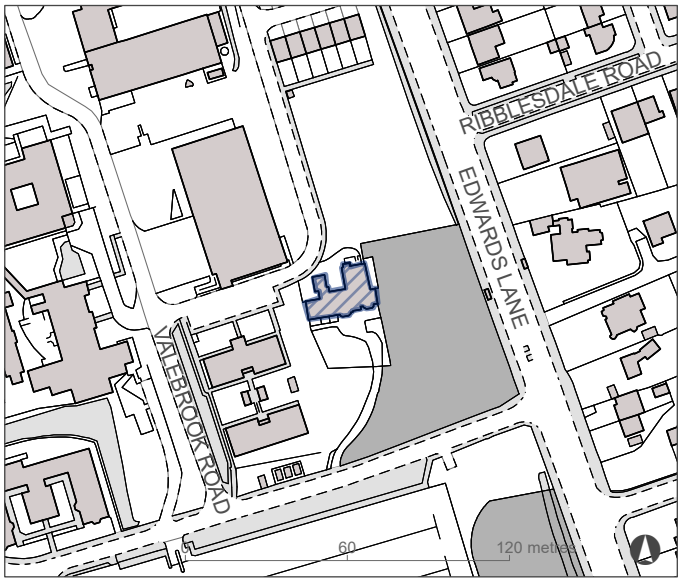

Assessment against Local Criteria

1. Age - Victorian 2. Good quality Gothic Revival House that was originally part of Daybrook nurseries before becoming subsumed in the City Hospital

Reason for Designation

As a Good example of a Gothic Revival House used as part of a purpose built nursery

Local List Proposal

Description

Victorian house from c1870s originally built as a cottage (possibly for a gardener) at Daybrook Vale Nurseries and later incorporated in Nottingham City Hospital. The house is brick built with stone detailing and a welsh slate roof. It is built in a Victorian Gothic style. Within the principal elevation there are particularly good details including door surround and canted bays. The majority of windows are original but in poor condition.
