Assessment against Local Criteria

1. Age: 1840 – 1914
2. Asset type: Religious building
3. Group value: With the other non-conformist chapels in Basford built in the late nineteenth century, David Lane Methodist chapel evidences the development and strength of non-conformist religions in Nottingham and its suburbs.
4. Ecclectic Arts and Crafts Style

Reason for Designation

An example of a late nineteenth-century Methodist chapel. With other churches in the area, David Lane Methodist evidences the popularity of non-conformist religions in Nottingham at this time but also the denominational divisions.
