Assessment against Local Criteria

1. Age: 1840 – 1914
2. Asset type: Religious building
3. Group value: With the other non-conformist chapels in Basford built in the late nineteenth century, Percy Street Primitive Methodist chapel evidences the development and strength of non-conformist religions in Nottingham and its suburbs
4. Group value: with the Sunday School behind
5. Communal value: In continued use as a religious building, at the heart of the community

Reason for Designation

An example of an early-twentieth century Methodist chapel. With other churches in the area, Percy Street Primitive Methodist evidences the popularity of non-conformist religions in Nottingham at this time but also denominational divisions. The building of a Sunday School at the same type demonstrates the contributions of churches to education for working class children.
