SR09 Edwards Lane - Former Haywood School Detached Playing Field

Site Area (ha):
4.37

Ward:
Bestwood

Address:
Edwards Lane

Current Use:
Open Space

Proposed use:

Residential (C3, predominantly family housing) with a proportion of the site retained as open space.

Development principles:

Design, layout and access should be carefully considered to avoid adverse impacts on existing residential properties. Prior to development, alternative provision for Pupil Referral Unit on site should be considered. Residential development should include publicly accessible on site open space. Due to the proximity of SR03, SR05, SR06, SR08 and SR09 Open Space requirements will be comprehensively coordinated across all these sites. Development should include mitigation measures which result in an overall increase in the quality and ecological value of open space in the area. Appropriate mitigation could consist of improved green corridors; new allotments, improvement of local LWS/LNRs; new equipped play area. Within Minerals Safeguarding Area - prior consultation required.
